

3 Day Fly-In Game Safari

On Arrival:

Our driver will meet you off your flight at Entebbe Airport and transfer you to Karibu to enjoy your first night in Uganda. Should you arrive in time be sure to book in for our famous Mediterranean style 5-Course dinner! Our Karibu staff will brief you on the days to come.

Day 1:

After breakfast we drive you back to the airport for your domestic flight to Kihikihi Airstrip (around 1 ½ hours flying time). Upon landing you will be met by your safari guide from Ishasha Wilderness Camp who will drive you to the lodge in time for lunch. You can choose to spend the afternoon relaxing at the lodge, soaking up the sounds and smells of this remote part of the African Wilderness. Or you can head out with your guide on a game drive around one of the nearby game tracks. Either way you will be at camp as darkness quickly engulfs the day. Keep an ear out for the beating of the drums, calling guests to dinner at the restaurant.

3 Day Fly-In Game Safari

Day 2:

Wake up to the gentle cacophony of the bush; birds, insects, reptiles and mammals alike all adding their part to the dawn chorus, welcoming in the new day. After breakfast depart with your guide for a day of exploration and discovery. Search for the famous tree-climbing lions sprawling in the low boughs of fig trees, a sight unique to this area of Uganda. Keep an eye out also for elephants, buffalo, hyenas, leopards, hippo, a variety of antelope and a plethora of stunning bird species that can be sighted in the area. Finish the day off with cold drink in the restaurant or on the verandah of your luxury wilderness tent!

Day 3:

A breakfast with a difference! Ishahsa Camp's "Bush Breakfast"; your own personal table set-up in the bush overlooking the river. Soak up the wilderness over breakfast before you depart for Kihiki airstrip where you will board your flight for Entebbe Airport.
