

## 3 Day Gorilla Tracking Fly-In Safari

### **On Arrival:**

*Our driver will meet you off your flight at Entebbe Airport and transfer you to Karibu to enjoy your first night in Uganda. Should you arrive in time be sure to book in for our famous Mediterranean style 5-Course dinner! Our Karibu staff will brief you on the days to come.*

### **Day 1:**

*After breakfast we drive you back to the airport for your domestic flight to Kihikihi Airstrip (around 1 ½ hours flying time). Upon landing you will be met by a representative from Buhoma Lodge who will drive you to the lodge in time for lunch. You can choose to spend the afternoon relaxing at the lodge, enjoying the view out over the canopy of “The Impenetrable Forest”. Should you feel like it, you can take a stroll around the Buhoma village area or embark on one of the short guided hikes available within Bwindi Impenetrable Forest. Enjoy the cool evening and dinner by the open fire in the main area of the lodge.*

## 3 Day Gorilla Tracking Fly-In Safari

### Day 2:

The big day! You will need to be at the Wildlife Authority base by 8am to begin your experience. The Mountain Gorilla is extremely endangered, currently there are thought to be only 800 or so left in the world, and only found in this small corner of Africa. Tracking Mountain Gorillas is a rare and unique experience not quickly forgotten, getting you up close and personal with one of our closest relatives. The length of the trek depends on the whereabouts of the gorillas; anything from a few hours to all day (a packed lunch is provided). Upon return you may want to take advantage of the massage services available at Buhoma Lodge!

### Day 3:

Order a tea or coffee to your door and watch the early morning mist rise over the magical forest, knowing the secrets that lie within! Your guide will drive you back to the airstrip where you will board your flight for Entebbe Airport.
